With today's advanced technology, the dream home of the future is within reach today. Contact S.S. Enterprises

Custom Installation for your ticket to affordable structured home wiring and more. Experience, quality and reliability are the keys to choosing the right team for high-tech equipment installation. You need a company who will do what they promise and do it with excellence. At S.S. Enterprises Custom Installation, we have worked with many well-known builders, architects, and interior designers throughout the New York area. We design, build, install and service our systems from concept to completion. Throughout the entire process we are here to provide you with service that exceeds your expectations.

ALL INSTALLATIONS INCLUDE:

- A pre-installation phone conversation to review exactly what will be done and to confirm appointment time.
- A pre-installation visit by the installer to determine anything else that must be done. Any additional charges should be approved by the customer before the start of the job.
- Cleanup of work area, including removing any packaging from the customer's home.
- A professional installation labor warranty for one year.
- A customer satisfaction sign-off on completed work order.

THE FUSION OF THE COMPUTER INDUSTRY MIXED WITH AUDIO/VISUAL TECHNOLOGIES WILL RADICALLY CHANGE HOW COMMUNICATIONS OCCUR IN MOST HOUSEHOLDS AND BUSINESSES. THE DEMAND FOR COMPUTERS, HIGH-CAPACITY DATA COMMUNICATIONS AND STORAGE COMBINED WITH THE NEED FOR VISCERAL GAMING AND HOME THEATER ENTERTAINMENT SYSTEMS WILL SHAPE THE FUTURE OF THE AUDIO/VIDEO INDUSTRY.
